It adds another layer of skill and planning on top of the real sense of danger and survival that the hunger meter provides. What would you have us do? It's the humidity and heat that mess me up.

With the lag removed and more varied game play elements unlocked as you progress. As well as giving a brief hunger bonus, these berries also add different bonuses such as increased movement speed or lunge reach. You should go on a hunt through this never ending forest and bring the light back to its haunted trees! Alternatively, players can hunt and devour other creatures.
