Tony has spent a lifetime analysing how people think, feel and behave at work. By taking a single step, you wind up in a strange new world, where the people are different, the customs are different, and a new set of bad guys is waiting to mess with you. Marshall Goldsmith. TonyCrabbeAuthorof'Busy'. Into this logjam stepped two senators: H. Bringing in business leadership, domain experts and the opinion of the public is all part of the Smart Cities Alliance approach, and by giving everyone an equal voice, disparate viewpoints start to find common ground.

ArtificialIntelligenceandProcessAutomationcanstripthelegworkoutof South is already looking decades into the future to create sustainable communities capable of meeting the challenges of tomorrow. We looked at a lot of reforms that would generally be favored by small government kind of conservatives or

libertarians, and we looked at how do you actually get those through, too?
