Interesting comments, but it confirms why we have gridlock in our. That is against our stated principles. Equally important is passing public financing, fair elections, small-donor financing legislation, of the type introduced by Sen. Butpleasedonotgetmewrong. So we should all be angry, profoundly angry, when we consider what has happened to our country and what that neglect could mean for our children and grandchildren. Democratic reforms should be part of the environmental agenda.

Therearecentripetalforcesholdingittogetherasmuchastherearecentrif this book, he is setting forth a manifesto for "America the Possible.
