I would ask my dad side of the family to help me understand what they are saying since they all speak only spanish. Unfortunately, you're not the first woman on here to complain about such things and rightly so! Any advice? I don't know if this has been discussed before, but there seem to be at least some. It is well worked out, building up longer sentences from phrases, with minimal English explanations and enough revision without becoming 'bogged down'. Don't worry - that's not my mentality. You will get a lot of requests from men wanting to be your "friend. Originally Posted by CroftManiac Yes, you construct short phrases before the answer is given.
