North American Hi In working out this theory of interpretation in terms of a theory of language as discourse, Ricoeur saw that what he now called the hermeneutic field was itself divided internally between an approach such as that used in The Symbolism of Evil which sought to recover meaning that was assumed to be already there and what he now called a hermeneutics of suspicion, like that found in Marx, Nietzsche and Freud, which held that nothing ultimately means what it first seems to say. Namerequired. Nor does this disproportion render our existence meaningless. Then there were the Essenes, a remote, ascetic community with strong apocalyptic leanings who shared property in common.

LearnhowtoenableJavaScriptonyourbrowser.Wasthisreviewhelpful?It also does the opposite by trying to help the reader appreciate theology by looking at it as a historian does.
