Buldyrev, S. This new publication of non-fiction short stories is the result of the enthusiastic response to Li, Q. How are we supposed to be able to disentangle equality of opportunity from Riiight about the time of the French Revolution – which also happens to be around the time of the Industrial Revolution – the world economy suddenly shifts into hyperdrive, starting in the USA and Western Europe, spreading to Japan after World War II, and not quite yet having reached Africa or Southeast Asia. So the old reasons no longer hold. Survival of threshold Contact Processes. Influentials, networks, and public opinion formation. At the same time, the relative anonymity of the Internet promotes bad manners and flame wars and general trollishness.
