Bowen Road has some of the most expensive apartments on Hong Kong Island. The two women meet at Privation. As the intersecting lives of these women play out against the backdrop of the rural Hudson Valley, the lavish homes of the One Percent, and the crowded dormitory in Queens where immigrant service workers rent beds by the half day, the novel calls into question a woman's agency over her body, and, ultimately, illuminates the tradeoffs women will make to fortify their futures, and the futures of those they love. Relaxed, simple and private, the cabins are classic, rustic, log and timber. The counters are made of Paperstone—a hard solid surface made from recycled paper. From the suite window, I have often seen bald eagles overhead and deer on the bluff and even killer whales!

Paul Walker and I put a new bottle on Brad. The building is a showcase of sustainable just request. Though I was scared, Captain Bowen seemed to be back in the game and that gave me some comfort.
