These short chapter books are very popular with children both in Australia and overseas. The first comparative study of coastal communities affected by shark bites in Ballina and Perth is the most conclusive evidence yet of a change in public opinion toward sharks. Share Give access Share full text access. AussieBites:TheLionDrummer. David Metzenth then now lives with his wife and two children in Melbourne and is one of Australia's top writers for young people. With so many of our magnificent, graceful shark species under threat, this conservation research is critical. Do they work?
