Expanding on a series of fancily scrawled entries in her great-great-grandmother's di There's a little something West of the Moon, I daresay, to books of fantastic adventure based on real-life events, particularly when those events are drawn from the family history of the book's author. But in The Goose Girl, there's still that dark sort of humor when the boy has to go to the king and announce "You know that horse head you chopped off and had mounted on the wall Loadingmoreitems. But there is an adventure to be embarked upon, and I encourage everyone within sight of these words to take it. Expanding on a series of fancily scrawled entries in her great-great-grandmother's di There's a little something more, I daresay, to books of fantastic adventure based on real-life events, particularly when those events are drawn from the family history of the book's author. A wondrously successful and magical story that is interwoven with folktales, this book is West of the Moon delight.
