While there wasn't a great deal in here that was groundbreaking or anything, I do think that the book contained a great deal of tips and helpfu The sad truth is that women who make more money than their male partners get divorced at higher rates, feel higher levels of stress, and somehow still end up doing even more housework and childcare. Whenever he has new job possibilities, I help him with his resume, give him ideas for a cover letter something I did just this week and am excited for .

The lowest-priced brand-new, unused, unopened, undamaged item in its original packaging. Each chapter features the story of a couple interviewed by Torabi to illustrate various situations. Mom: The math may conclude it's best for him to quit his job to become the primary caregiver, but there's far more to consider. Of course, I could be way off base.

I have some friends who exemplify this notion. What do you do? My sister and I have always taken it for granted that we would have to work to support ourselves and our families.
