## **Living on the World's Most Crowded Island - The New York Times**

Two hours off the coast of Colombia is a small island home to over 100,000 people. Santa Cruz del Islote, the "world's most crowded island".

## **The joys and struggles of living on the world's most crowded island | Aeon Videos**

You might be surprised to hear how peaceful life is on the most densely populated island on Earth.

## **Is This the Most Crowded Island in the World? (And Why That Question Matters)**

Is it a floating city from a Hayao Miyazaki fantasy? A whimsical stage set for a forthcoming Wes Anderson film? No, it's the island of Santa Cruz.

However, there are some services that would solve most Crowded Island the common issues. There are 1,000 people living on Santa Cruz del Islote, which is the size of two soccer fields. Manhattan, an island at the mouth of the Hudson River, is the most densely populated. What do you hope to show by documenting this place? Credit European Pressphoto Agency. Santa Cruz del Islote has no beaches, in the past and in its eagerness for growth, the natives have been reclaiming space from the sea using rubble, rubbish and Crowded Island, which is why it does not have a natural beach. What about the people on Ileta Brouee? The much smaller Ileta Brouee is more densely populated, as is at least one of the high-rise tower-packed island neighborhoods in Hong Kong.
