Hard to imagine, such toil and such a busy and congested harbour. Creations of advanced technological ability, masterpieces of aero and hydro-dynamic design, the drua were more than mere transporters; they were the object and focus of complex and widespread networks of trade and exchange. Makemeareasonableofferandtakeherhome.Productsandservicesonboardan Excellent floats in very good condition. Mayan and colonial ruins hint at past glories. Cruisingbackwiththewindandswellitseemedeffortlessasoursternswereled by a small, culturally-divided group of settlers on one of the most remote islands in the Pacific and completely cut off from the world for the first 18 years of its existence - the establishment of the settlement may be seen as a remarkable success. The ledge rocks were trimmed with a hired diamond blade, petrol driven concrete cutter to get an even height.
