The course consists of explicit instruction in writing and presenting original critical talks with specific feedback on them, plus chances to incorporate that feedback in another oral presentation. IDS

StateofFloridaCommonProgramPrerequisitesThestateofFloridahasident

This course focuses on teaching students research skills that allow them to effectively incorporate outside sources in their writing and to compose in a variety of genres for specific contexts. The course covers the use of theoretical languages and concepts from a broad spectrum of literary fields such as postcolonialism, religious studies, feminism, globalization studies, and area studies.
