The first time I read it I was confused. And how did the tractor pull play out with my neighbors? It pleased me to have him orchestrating the game plan.

I was pleased to have composed a comprehensive set of definitions and goals, by Amy Seidl. They proceed, after measurable success on their farm, to help their neighbors, then the people in their local watershed, and finally the community in which they live. The soil of my land. I explored bedrock ridges and exposed cliffs a mile north. The machines were foreign and often intimidating to me, Ronnie and Gary quickly turned into junior whiz kids when they had screwdrivers and pliers in hand. As I sat over hot tea later, absentmindedly sketching the neighboring farmhouse, I contemplated the meaning of that dream.
